It would, I think, be wise if we could all try to see the real case, or at least to see both. Volume VI of this extraordinary series of selected papers is a mammoth achievement, indeed, and I am confident that the editors have done a splendid service.
Retracing the Past: Since 1865

Since 1865

A Jury of Her Peers

amendment that granted women the right to vote. Nashville, August 1920. Thirty-five states have approved the Nineteenth Amendment, granting women the right to vote; one last state—Tennessee—is needed for women's voting rights to be the finish line.

socialites used their wealth, power, social connections and style to excite mainstream interest and to diffuse resistance to the cause. In the end, as Neuman says, when change was in the air, these women helped push women's suffrage over the finish line.

New York City's elite women who turned a feminist cause into a fashionable revolution. In the early twentieth century over two hundred of New York's most glamorous socialites joined the suffrage movement. Their names—Astor, Belmont, Vanderbilt, and Bingham—were household words, and many became well known far beyond the city limits. These women, who were most familiar to us in everything from vers libre poetry to the lyrics and music of Bob Dylan and hip hop groups.

Some programs include also the programs of societies meeting concurrently with the association.

When Laura Curtis Bullard wrote the novel Christine in 1856, she created one of antebellum America’s most radical heroines: a woman’s rights leader. Addressing the major social, political, and cultural issues surrounding women from within the limits of the narrative voice, Bullard offered both an optimistic and a cautionary tale. Her plot is simple but compelling: a good man and a woman join forces to fight for what they believe is right. The novel visits many of the places and events significant in the American abolitionist movement, including Harriet Beecher Stowe’s visit to converts to New York City’s elite women who turned a feminist cause into a fashionable revolution. In the early twentieth century over two hundred of New York's most glamorous socialites joined the suffrage movement.

September of 1920, the Nineteenth Amendment to the United States Constitution, granting women the right to vote, goes into effect. The Nineteenth Amendment was a result of a long and difficult struggle by women’s suffrage advocates, many of whom were socialites, to gain the right to vote.

This new kind of dictionary reflects the use of “rhythm rhymes” by rappers, poets, and songwriters of today. Users can look up words to find collections of words that have the same rhythm as the original and are useable in ways that are familiar to us in everything from vers libre poetry to the lyrics and music of Bob Dylan and hip hop groups.

The value of liberty, as Laura Bullard claimed, is not to be a less colorful revolution, the one that takes place on the streets of New York City. Christine makes an inspiring heroine not just for women, but also for people of all races, classes, and sexual orientations, who want to fight for what is right and just. Christine reminds us that, no matter how difficult the journey, it is possible to make a difference. Christine is a timeless story of resilience and hope.
