Emerson lost his mastery of the form.

Emerson and the Art of the Diary - Lawrence Rosenwald - 1988-09-01
This first extended literary description and analysis of Emerson's journals, argues that they, and not his essays, are Emerson's masterpiece, constituting one of the greatest commentaries on nineteenth-century America by one of our most acute formal intelligences. First developing the critical methodology needed to examine the journal form, a genre long neglected by literary scholars, Rosenwald goes on to consider how Emerson the diarist found his form and what form he found. Included are comparisons between the journals and Emerson's lectures and essays, other Transcendentalist journals, the German aphorism-book, and books of quotation by Montaigne and Eckermann. Finally, the author gives an account of how, in his old age, Emerson lost his mastery of the form.

Emerson's Nature and the Artists - Tyler Green - 2021-09-07
Illustrated by classic American paintings and photographs, and accompanied with a prescient new appraisal, this stunning publication on Emerson's seminal 1836 essay is at once a meditation on the ways artists influence each other and a timely cri de coeur to cherish and preserve America's landscape. Widely considered to be the foundational text of the American landscape tradition, Ralph Waldo Emerson's Nature urges Americans to value and immerse themselves in their country's landscape, to build American culture from America's nature. Nearly two centuries after the original publication of the essay Nature by Emerson, this captivating book by critic and historian Tyler Green brings together a selection of artistic works in dialog with Emerson's text for the first time. Green also offers his own fascinating take on Nature through new research into how the essay was informed by Emerson's experiences of art and, in turn, how it informed American art well into the twentieth century. The result is a unique melding of essay, art, and ideas that will draw new readers to Emerson's writings, while also introducing a fresh perspective on a critical contribution to the American canon and showing what impact Emerson's text still has for the US to this day.

**Art of Successful Living** - Ralph Waldo
Emerson - 2005-01-01
Ralph Waldo Emerson was one of the leading
figures in the thought and literature of our
civilisation. He was an essayist, critic, poet,
orator and popular philosopher. As a writer, he
was always concerned about his audience and his
peers. Emerson's essays are a series of loosely
related impressions, maxims, proverbs and
parables. 'The Art of Successful Living' is a
compilation of three of his well-known essays --
Love, Friendship and Self-Reliance. In these
essays, he challenges and investigates the age-
old traditions and insists on the interpenetration
of the ideal and the real, of the spiritual and the
material.

"Published here for the first time are seven of Emerson's topical notebooks, which served as a source for his lectures, essays, and books of the 1850s, 1860s, and 1870s. Concerned primarily with nature, art, philosophy, American culture, and his contemporaries, the notebooks presented in this first of a three-volume editions afford fascinating insight into Emerson's creative practices. They will offer new perspectives for future readings of his completed works. The editors provide faithful transcriptions of the notebooks using the highest standards of textual practice. Their detailed annotations describe and comment on erased or revised passages, translate Greek and Latin quotations, and identify books and articles referred to in the texts of the notebooks. References to similar passages in Emerson's journals, lectures, and published works are also provided in the annotations. Publication of these notebooks will enable scholars to trace ideas that have gone unnoticed previously. The Topical Notebooks of Ralph Waldo Emerson, Volume 1, offers valuable insight into the art and philosophy of one of America's foremost thinkers. These volumes will be an important addition to any personal or institutional library of nineteenth-century American literature."--Publishers website.

My Little Book of Emerson - Ralph Waldo Emerson - 1924

Emerson - Robert D. Richardson Jr. - 2015-04-22
Ralph Waldo Emerson is one of the most important figures in the history of American thought, religion, and literature. The vitality of his writings and the unsettling power of his example continue to influence us more than a hundred years after his death. Now Robert D. Richardson Jr. brings to life an Emerson very different from the old stereotype of the passionless Sage of Concord. Drawing on a vast amount of new material, including correspondence among the Emerson brothers, Richardson gives us a rewarding intellectual biography that is also a portrait of the whole man. These pages present a young suitor, a grief-stricken widower, an affectionate father, and a man with an abiding genius for friendship. The great spokesman for individualism and self-reliance turns out to have been a good neighbor, an activist citizen, a loyal brother. Here is an Emerson who knew how to laugh, who was self-doubting as well as self-reliant, and who became the greatest intellectual adventurer of his age. Richardson has, as much as possible, let Emerson speak for himself through his published works, his many journals and notebooks, his letters, his reported conversations. This is not merely a study of Emerson's writing and his influence on others; it is Emerson's life as he experienced it.
We see the failed minister, the struggling writer, the political reformer, the poetic liberator. The Emerson of this book not only influenced Thoreau, Fuller, Whitman, Dickinson, and Frost, he also inspired Nietzsche, William James, Baudelaire, Marcel Proust, Virginia Woolf, and Jorge Luis Borges. Emerson's timeliness is persistent and striking: his insistence that literature and science are not separate cultures, his emphasis on the worth of every individual, his respect for nature. Richardson gives careful attention to the enormous range of Emerson's readings—from Persian poets to George Sand—and to his many friendships and personal encounters—from Mary Moody Emerson to the Cherokee chiefs in Boston—evoking both the man and the times in which he lived. Throughout this book, Emerson's unquenchable vitality reaches across the decades, and his hold on us endures.

**The Architecture of William Ralph Emerson, 1833-1917** - Cynthia Zaitzevsky - 1969

**Meditations of Ralph Waldo Emerson** - Chris Highland - 2010-01-01

In this compact book, 60 selections from 30 years of Emerson's writings reveal the essence of his spiritual vision. Like his friends John Muir and Henry David Thoreau, Emerson saw images of the divine in the natural world, and rather than seeking to conquer wilderness, sought inspiration from it. Complementing each passage is an inspirational quote from historical and contemporary luminaries including Margaret Fuller, the Dalai Lama, and Jack Kerouac, and voices from Taoism, Judaism, Islam, Christianity, Buddhism, Hinduism, and Sufism.

**Nature and Other Essays** - Ralph Waldo Emerson - 2019-11-26

A collection of essays from the father of the American transcendentalism, including “Nature,”
the 1800s, mentored Henry David Thoreau, and Emerson’s famous essay “Nature” declared that understanding nature was the key to understanding God and reality, and laid the groundwork for transcendentalism. His legacy of boldly questioning the doctrine of his day and connecting with nature will resonate with today’s readers in search of meaning and enlightenment. Essays include “Nature” (1836) and Emerson’s first series, published in 1841: “History,” “Self-Reliance,” “Compensation,” “Spiritual Laws,” “Love,” “Friendship,” “Prudence,” “Heroism,” “The Over-Soul,” “Circles,” “Intelect,” and “Art.” Nature and Other Essays joins Gibbs Smith’s best-selling Wilderness series. Standing beside the works of his protégé Henry David Thoreau, as well as John Muir, Mark Twain, Walt Whitman, and Jack London, these essays are reissued to encourage and inspire philosophers, travelers, campers, and contemporary naturalists. Ralph Waldo Emerson (May 25, 1803–April 27, 1882) was a famous lecturer, philosopher, poet, and writer. He led the transcendentalist movement of the 1800s, mentored Henry David Thoreau, and was a pioneer of multiculturalism in American writing.

Excerpt from Ralph Waldo Emerson: A Discourse in West Church But I delight to recur to the perfect disposition in him that bore every test under the roof and by the way, so faithful and patient it was, with its habitual, never-absent, and all-conquering smile, mild and not often impassioned; so that, if God could survey the concluded handiwork of creation and pronounce it good, he must have more decidedly the same opinion of such a man. As he came down from his chamber in my house, one morning, his face was covered with mosquito bites, hinting a sleepless, wretched night. But, to my sad and mortified interrogatory, I could get no word of explanation or regret. All to him seemed hospitality and good cheer. One hot July day, I left his house without his knowledge, that he might not be disturbed and he ran after me through the dusty street, beseeching me to go back. While we stood, our altercation was interrupted by an inquiry from an old man with his dame in a rickety chaise, if we want to pass by the house of Ralph Waldo Emerson. Emerson gave me a private smile, and answered, pointing: That is his house. He is a poor man, but there is where he lives. He never unnecessarily let anybody, however curious, know who he was. Excerpt from The Works of Ralph Waldo Emerson, Vol. 1: Essays and Representative Men

Here is one mind common to all individual men. Every man is an inlet to the same and to all of the same. He that is once admitted to the right of reason is made a freeman of the whole estate. What Plato has thought he may think what a saint has felt he may feel what at any time has befallen any man he can understand. Who hath access to this universal mind is a party to all that is or can be done, for this is the only and sovereign agent.

**Ralph Waldo Emerson (Classic Reprint)** - O. W. Firkins - 2015-07-06

Excerpt from Ralph Waldo Emerson A New venture into a field from which biography and criticism have drawn repeated and ample harvest may avert the charge of impertinence by pointing to the fresh materials in the ten-volume edition of the Journals, 1909-14, brought out under the careful and tasteful editorship of Edward Waldo Emerson and Waldo Emerson Forbes. Of this copious and varied matter the present work has made extensive use. References to Emerson's works in this volume are based exclusively on the "Centenary" edition. Essays and smaller prose compositions generally are referred to by title followed by volume and page in the "Centenary" edition: thus, Fate, VI, 41. Poems are classed under the general title Poems followed by the appropriate volume and page. The following abbreviations have been used: Jour. for "Journals"; "Cabot," for J. E. Cabot's well-known and admirable Memoir; E. in C., for Dr. Emerson's Emerson in Concord, and C. E. C. for Carlyle-Emerson Correspondence. Garnett's Emerson, Holmes's Ralph Waldo Emerson, Professor Woodberry's Emerson, Conway's Emerson at Home and abroad, are referred to by the names of their authors, Garnett, Holmes, Woodberry, and Conway. **Journals of Ralph Waldo Emerson** - Ralph Waldo Emerson - 1912

**Ralph Waldo Emerson (Classic Reprint)** - O. W. Firkins - 2015-07-06

Excerpt from Ralph Waldo Emerson A New venture into a field from which biography and criticism have drawn repeated and ample harvest may avert the charge of impertinence by pointing to the fresh materials in the ten-volume edition of the Journals, 1909-14, brought out under the careful and tasteful editorship of Edward Waldo Emerson and Waldo Emerson Forbes. Of this copious and varied matter the present work has made extensive use. References to Emerson's works in this volume are based exclusively on the "Centenary" edition. Essays and smaller prose compositions generally are referred to by title followed by volume and page in the "Centenary" edition: thus, Fate, VI, 41. Poems are classed under the general title Poems followed by the appropriate volume and page. The following abbreviations have been used: Jour. for "Journals"; "Cabot," for J. E. Cabot's well-known
Emerson's Emerson in Concord, and C. E. C. for Carlyle-Emerson Correspondence. Garnetts's Emerson, Holmes's Ralph Waldo Emerson, Professor Woodberry's Emerson, Conway's Emerson at Home and abroad, are referred to by the names of their authors, Garnett, Holmes, Woodberry, and Conway.
