Orientation. So I haven’t written much lately, and... | by
1 day ago · And today I want to talk about orientation, namely sexual orientation. Don’t worry though, it won’t be a particularly vulgar article. I do believe in the cognitive-behavioral cycle of human pathology and neurodevelopment. I think after supporting us for 20,000 years of anthropological history, it’s the least we can do.

Material culture - Wikipedia
Material culture studies as an academic field grew along the field of anthropology and so began by studying non-Western material culture. All too often, it was a way of putting material culture into categories in such a way that marginalized and hierarchized the cultures from which they came. During the "golden age" of museum-going, material cultures were used to show the ...

On the Human Being and Being Human - Marxists
As we move "upwards", we encounter the world
of the mind, of personality. At the organismic level, the human being is part of the natural interconnection of phenomena and obeys its necessity, but at the personal level his orientation is social. From the world of biology through psychology we enter the sphere of social history.

Human Enhancement (Stanford Encyclopedia of Philosophy)
Apr 07, 2015 · From feminist and disability studies come critiques of the medicalization of human beauty, focusing on complicity with unjust social norms that can turn ordinary welfare meliorism on its head to prioritize the enhancement uses of biomedicine over standard therapeutic applications (Silvers 1998).
