Excerpt: mountain, and the remainder of the way is accomplished on horseback. Not far from the summit is a spring of excellent water, and also a house for the accommodation of visitors. The view from the summit is similar to that from Mount Mansfield. The hight above the sea is 4,083 feet, and some over 3,800 above Winooski River. The peculiar outline of its summit, which suggests its name, and its comparatively isolated position, make it a conspicuous object for many miles around JONESVILLE. Three miles west of Bolton is Jonesville. East of the station the valley is narrow, and in full view from the cars is a beautiful cascade with a lofty rock near it. This, with the wild scenery, gives the place an unusually picturesque appearance. c RICHMOND. Before Teaching Richmond the valley becomes broader and more fertile. The village lies principally north of the station. Passing westward you cross Clark Bridge over the Winooski, 600 feet long.

VTILLISTON. Passing through Williston, which is an excellent agricultural region, you get good views of Mansfield and Camel's Hump. Here is seen the profile* of old Mansfield, outlined on the sky beyond. West of the station you cross Bradley Bridge, 400 feet long. 9 ESSEX JUNCTION. Here passengers for Burlington change cars, taking the train which runs to that place, eight miles distant. FROM ESSEX JUNCTION TO BURLINGTON. Soon after leaving Essex Junction, the view of Mansfield and Camel's Hump is exceedingly beautiful, and one is greatly impressed with their magnitude and grandeur. Passing from the sandy table lands you enter the more fertile valley of the Winooski River. The scenery along this stream is highly interesting. The river has made deep gorges through the limestone rock, and as one passes over the

Excerpt from Handbook for Connecticut Selectmen: A Guide to the General and Specific Powers of Selectmen Together With Statutory Citations The primary purpose of this Handbook is to provide selectmen of the towns of this state with a guide to the statutes which regulate their duties. It is anticipated that experienced selectmen will find the Handbook useful as a ready reference to the statutes and that selectmen serving on the board for the first time will find it also helpful in acquiring a working knowledge of their duties under the law. In addition, the Handbook should prove useful to teachers and to citizens in bringing to them a more complete understanding of the vast number of duties for which selectmen are responsible in the administration of town affairs.
