Our Church and Our Children - Sophie Koulomzin - 2004
This book is a re-release of a classic by a distinguished Orthodox Christian religious educator and a foundational read for Christian parents and educators. Koulomzin, who taught Religious Education at St Vladimir's Orthodox Theological Seminary from 1954 to 1973, writes as a laywoman, teacher, mother, and grandmother about the task of Christian education. The work is a remarkable compendium of her wisdom. The contents of the book comprise a deep understanding of children, a wise appropriation of educational and developmental theory, a lived knowledge of the Orthodox faith tradition, and a keen sense of Orthodox church life in America. The book is peppered with engaging anecdotes from her half-century of experience working with children in the Church. For Koulomzin, recognizing that children are full members of the Church was of utmost importance, and her life's vocation was encouraging others to see this. Among the key topics addressed in Our Church and Our Children are: the task of Christian education, developmental stages of children, Christian education in the family, the challenges and opportunities of the church school, and a vision and goals for the Christian teacher. It makes an excellent book for either group or personal study. Included in the re-release are a foreword, which gives a glimpse into her incredible personal life, a bibliography, and a chapter-by-chapter study guide.

Parenting in the Pew - Robbie Fox Castleman - 2012-12-14
"Daddy, I’d like you to meet my children." That's Robbie Castleman's attitude about taking her children to church. She believes that Sunday morning isn’t a success if she has only managed to keep the kids quiet. And she knows there’s more to church for kids than trying out their new coloring books. Children are at church for the same reason as their parents: for the privilege of worshiping God. Worship, Castleman writes, is “the most important thing you can ever train your child to do.” So with infectious passion, nitty-gritty advice and a touch of humor, she shows you how to help your children (from toddlers to teenagers) enter into worship. In this significantly revised and updated edition Castleman includes a new preface and two new appendices that provide new perspectives on children’s sermon and intergenerational community. She also provides a study guide for personal reflection or group discussion. More than ever, Parenting in the Pew is essential reading for parents and worship leaders who want to help children make joyful noises unto the Lord.

All Our Children - Lallie B. Lloyd - 2017-04-01
The church understands community as unity in diversity: Paul’s vision of the Body of Christ as a physical body, with all parts welcomed and honored as parts of the whole, is an image of community as revolutionary in our day as it was in first century Rome. And the church’s call to act in the world, to be Christ’s hands and heart for healing and reconciliation, hope and justice, gives it a unique role in the national movement to combat education.

Catechizing Our Children - Terry L. Johnson - 2013

Communicating the faith to children is one of the great responsibilities of Christian parents. In this book, Terry Johnson, a father as well as a pastor, shows how the Shorter Catechism can be of great help to parents facing this vital task. Many generations of Christian parents have found the Westminster Shorter Catechism to be one of the most effective ways of raising their children in the discipline and instruction of the Lord (Eph. 6:4); for not only does it provide a clear explanation of the gospel, but it is still one of the best introductions to the most important doctrines of the Christian faith. Concise, brief, informative, and above all practical, this book will be a great help and a most useful guide to parents and grandparents, pastors and Sunday-school teachers.

The Year and Our Children - Mary Reed Newland - 2007-06

Celebrate the Faith with your kids all year round! For over half a century, Catholic families have treasured the practical piety and homespun wisdom of Mary Reed Newland’s classic of domestic spirituality, The Year and Our Children. With this new edition, no longer will you have to search for worn, dusty copies to enjoy Newland’s faithful insights, gentle lessons, and delightful stories. They’re all here, and ready to be shared with your family or homeschooling group. Here, too, you’ll find all the prayers, crafts, family activities, litanies, and recipes that will help make your children ever mindful of the joyful rhythm of the Church calendar. Learn how to make an Advent wreath and how to make it more than just a pretty ornament. Teach your children about the real Santa (the one who was a bishop) and how to celebrate all twelve days of Christmas, giving them a holy wonder that will continue long after all the presents have been opened and the wrapping thrown away. When Lent comes, read Newland’s simple secrets to helping your kids embrace their sacrifices with enthusiasm. Then, let her show you how to make your family place where Holy Week and Easter are duly treated as the highest, holiest days of all the year. She’ll teach you ways to reclaim All Souls’ and All Saints’ from the popular occultism of modern Halloween. She’ll also show you why Church tradition accords special meaning to certain foods, colors, and symbols, and how these add to the incarnational character of Catholic spirituality allowing children to experience the Faith through sight, smell, touch, and taste.

Mary Reed Newland wrote numerous beloved books for Catholic families, but The Year and Our Children is her undisputed masterpiece. Read it, cherish it, share it, put it into practice and give your kids the gift of a fully lived faith, every day and in every season.

I had already come to these conclusions before I found this book, but it gives me great hope that others are seeing
the same disastrous problems. We have created a “monster” that we call
“church” which little resembles the New Testament kind, and people are
fleeing it. For all the promise of the “contemporary” style church, it isn’t
really much better. The church is failing to make disciples and failing to
make any real impact in the culture, and it’s all because we have failed to
make authentic (true) converts. It’s that simple. It’s easy to make a disciple
of someone who has been truly converted. Otherwise, with our usual crop of
“decisions,” it’s like pushing a rope to get any serious commitment or
Christlikeness out of them. The Bible says that Jesus is the Door, but to be
brutally honest, the only way through that Door is to crawl–in repentance,
submission (brokenness), and faith. We fast and yet we see them turn from God of
people still in their sins. There isn’t really any such thing as “a church for the
unchurched” as many like to claim today. We should be the church of
the redeemed, but we have become a church of the uns submissive,
unrepentant, unconverted, uncommitted, and unfaithful. And it all goes back
to the unchurched” as many like to claim today. We should be the church of
the Middle Ages that baptized babies for salvation, leaving millions of
people with a false sense of security. -Sandra M. Platt-

Church is the forlorn trustee of an architectural and artistic inheritance that remains one of the treasures of European civilization. He contends that it is a still point in the center of English culture and that its defining texts, the King James Bible and the Book of Common Prayer are the sources from which much of our national identity derives. At once an elegy to a vanishing world and a clarion call to recognize Anglicanism’s continuing relevance, Our Church is a graceful and persuasive book.

**Recovering Our Children**

Art Greer-Assistant to the General Presbytery, The Presbytery of New Covenant Presbyterian Church (U.S.A.) When parents came to me, having discovered their child was involved in drugs, and asked, “What in the word do I do now?”, my answer was simple: “See John Cates!” It still is. Barring that, this book, Recovering Our Children, is the next best thing! Phil Lineberger-Pastor of William Trace Baptist Church of Houston, Texas and Past President of the Baptist General Convention of Texas

Recovering Our Children is a winner. John Cates and Jennifer Cummings draw upon their education and experience to help parents recognize the evidence of a young person’s abuse of chemicals, to help the parents and young person reach out to those who can help, and to help the parents and young person reclaim control of their own lives. This book will serve as a valuable and encouraging tool for those who have reached the end of their rope. I highly recommend Recovering Our Children Patricia Creer-Past President of the Texas Association of Addiction Professionals Recovering Our Children, derived from experience with thousands of children and their families is reflective of the hard earned lessons of professionals who have intervened in a personal way for a number of years. I hope that this book will reach many in need, for it will help them. But I also hope that those who compose the community that will nurture Alternative Peer Groups will read it and pay attention.

- Christian Smith - 2021-03-15

"This book is about how American religious parents approach the handing on of their religious practices and beliefs to their children. We know a lot about the importance of parents in faith transmission and factors that influence its effectiveness. But we know much less about the actual beliefs, feelings, and activities of the parents themselves when it comes to the intergenerational transmission of religious faith and practice“--

**Parent-Driven Discipleship**
- Michael F Kennedy Jr. - 2015-08-28

As many Christians bemoan the deterioration of "family values" in our society, have we, as Christian parents, abdicated our responsibility by spiritually abandoning our children? Although the church has a part in our children's spiritual education are we not accountable before God for the spiritual development of our children? Statistics reveal that Christian parents are rarely involved in the spiritual lives of their children. Scripture, however, paints a very different picture of what this relationship should look like. As parents, we have the responsibility to "drive" the discipleship process in the home. We must keep our hands on the wheel and take responsibility to guide our children as they journey through life. This includes purposefully sharing the gospel with them, teaching them the ways of the Lord, and modeling for them a Great Commission focused lifestyle. The purpose of this book is to examine the biblical responsibility parents have to be involved in their children's spiritual lives and help equip them to take an active role. - Michael Kennedy Besides laying out a clear study of the biblical foundation for his call to parents, author Michael Kennedy supplies a parent and church questionnaire to give the reader an assessment of their starting place and then proceeds to give practical stepping stones to begin raising their children in the admonition of the Lord.

Infants and Children in the Church - Adam Harwood - 2017-10-30
A congregation rejoices when a new child is added to its midst, yet the church often wrestles—with both theology and practice—with how to best receive and minister to infants and children entrusted to her care. Frequent questions arise like: Infants and Children in the Church addresses these critical and sensitive questions from a variety of rich traditions, including Eastern Orthodox, Roman Catholic, Lutheran, Reformed, and Baptist, so that Christians can make the most of every opportunity as they minister to children.

On Guard - Deepak Reju - 2014-10-27
"Jimmy" joined the church a year ago. Before long, he volunteered to teach a Sunday School class and got to know eight-year-old “Peter.” Things started innocently. A hug at the end of class. Gifts for Peter. Lots of extra attention. And then it happened. Jimmy took advantage of Peter. Since Sandusky and the scandals in the Catholic Church, the issue of sexual abuse

posed for action but unsure of what action to take. In On Guard, Deepak Reju examines why child predators target churches and offers eleven straightforward strategies to protect children from abuse and to help young victims recover if it does happen. While On Guard does provide practical help for building a child protection policy, it provides much more. Full of pastoral wisdom, On Guard recognizes that the church’s response to abuse must be more comprehensive—in line with her calling—than a simple legal policy or clinical analysis. On Guard moves church staff and leaders beyond fearful awareness to prayerful preparedness with an actionable plan. Church, be on guard! Child abuse can happen anywhere, and we need a plan for how to prevent and respond to it. What’s yours?
