I would like to send my sincere thanks to Yang Lao Shi. Ever since Ryan joined N1 in 2012, he has improved his Mandarin tremendously. Yang Lao Shi is truly a dedicated and passionate teacher who shares her knowledge with our children and teaching them the good values in life. Thank you for being such a great example to our son! Derrick and Eunis Ng

Song-Ming Confucianism (Stanford Encyclopedia of Philosophy)

Introduction to the I Ching - By Richard Wilhelm
The task of clearing away all this rubbish was reserved for a great and wise scholar, Wang Pi, [25] who wrote about the meaning of the Book of Changes as a book of wisdom, not as a book of divination. He soon found employment, and the teachings of the yin-yang school of magic were displaced, in relation to the book, by a philosophy of statecraft.
