Six-year-old Ben is very small for his age, and gets along better with animals than people. One June day in 1870, Ben wanders away from his home on Hawk’s Hill and disappears into the waving prairie grass. This is the story of how a shy, lonely boy survives for months in the wilds and forms a bond with a female badger.

Hawk, I’m Your Brother
Byrd Baylor - 2014-03-11

“A Native American boy captures a hawk in the hope that he can also capture some sense of its ability to fly….Parnall’s sweeping black-and-white panoramas complement this spare, poetic text.” — School Library Journal
