strike a delicate balance in the months ahead.

Dec 03, 2021 · On December 1, a United Nations official said that Afghanistan may be facing the most rapid economic collapse in modern history. Afghanistan is divided into 34 provinces (Wilayats). The provinces of Afghanistan are the primary administrative divisions. Each province encompasses a number of districts or usually over 1,000 villages. Provincial governors have played a critical role in the reconstruction of the Afghan state following the creation of the new government under Hamid Karzai.

Apr 20, 2012 · The hazards of war have taken other forms as well. The United Nations Office for the Coordination of Humanitarian Affairs (UNOCHA) reported in 1999 that 31% of Afghan children had been victims of land mines. Even in 2007, land mine casualties numbered 811, many of whom were children. This not only promotes foreign investment but also makes the country less dependent on imports from neighboring countries and helps provide employment opportunity to many Afghans.
