Accountability - Wikipedia
Accountability, in terms of ethics and governance, is equated with answerability, blameworthiness, liability, and the expectation of account-giving. As in an aspect of governance, it has been central to discussions related to problems in the public sector, nonprofit and private and individual contexts. In leadership roles, accountability is the acknowledgment and assumption ...

Freedom To Vote Act - Common Cause
What is the Freedom to Vote Act? This bill is based on and contains many of the strong reforms in the For The People Act — which Common Cause also supports. The Freedom To Vote Act is the strongest, most comprehensive democracy bill we’ve seen in decades. The Freedom To Vote Act would make a MAJOR difference: for our right to vote, for everyday people’s power against ...

Netflix Jobs
To avoid the rigidity of over-specialization, and avoid the chaos of growth, while retaining freedom, we work to have as simple a business as we can given our growth ambitions, and to keep employee excellence rising. We work to have a company of self-disciplined people who discover and fix issues without being told to do so.

Freedom of information laws by country - Wikipedia
Freedom of information laws allow access by the general public to data held by national governments and, where applicable, by state and local governments. The emergence of freedom of information legislation was a response to increasing dissatisfaction with the secrecy surrounding government policy development and decision making. In recent years Access to ...

Helping People Take Responsibility: Encouraging Accountability
Look for apathy, finger pointing, missed deadlines, or phrases like "It's not my fault" to spot team members who are avoiding accountability. To help people take more responsibility for their work, provide them with the skills and resources to do their job. Create an environment that makes it easy for them to change.

PAsmart A statewide movement for accountability, readiness
A statewide movement for accountability, readiness, and training. Governor Tom Wolf created PAsmart to help students and workers prepare for the jobs of today and tomorrow. PAsmart connects Pennsylvanians with the information they need to succeed in our evolving economy. We know a one-size-fits-all approach doesn’t work.

Development as Freedom: Sen, Amartya: 9780385720274
Development as Freedom is one of the most well written books on the value of freedom in society. It touches upon the values economists should emphasize (and often don't) and the errors made in the name of paternalism and a state that lead economic life.

Your Right to Know: Maine's Freedom of Access Act
The act also ensures the accountability of the government to the citizens of the state by requiring public access to the meetings of public bodies. Transparency and open decision-making are fundamental principles of the Maine Freedom of Access Act, and they are essential to ensuring continued trust and confidence in our government.

Accountability and Professionalism
Accountability and the registered nurse Cornock (2011) suggests that, in order to be accountable, a nurse needs to have the freedom (autonomy) and authority to be able to make a professional judgement on which actions to take, based on their knowledge of the possible options and consequences of each. In making that professional judgement, a
