Echoes of the Soul - Echo Bodine - 2010-09-24
One Palm Sunday, Echo Bodine prayed to be granted a better understanding of worlds beyond this one, and three days later she found herself on an amazing voyage. Leaving her body behind, she traveled through life, death, and then beyond in a breath-taking vision of what awaits us all after this life. Echoes of the Soul is heartwarming and enlightening. In simple prose, Echo Bodine gently leads readers through realms of existence we all have yet to experience. Her inspiring images leave us with a hopeful vision of life after death — or, as Echo calls it, graduation, when we go to our real home. This inspiring and positive vision of the afterlife leaves the reader filled with hope, and even awe.

There are certain indispensable needs for the existence of humans. Two of those vital needs are the prevention of diseases and a permanent cure for them. With the help of colors and light, every dis-ease inherited since the beginning of mankind can be treated. Colors are the material portrayal of cosmic energy and this energy guarantees the existence of life. Our knowledgeable ancestors, the Seers of the unseen, the clairvoyants, the men of wisdom and hard work, outlined the brilliant principles that reveal the knowledge of colors. We learn in this book why just visiting the holy churches cured countless sick and disabled people; the stained glass windows of the churches emitting healing red, green and yellow rays. Research papers don't seem to address the fact that the human race has evolved under natural sunlight. Are we supposed to dismiss five million years of evolution because science doesn't understand the supreme wisdom of nature? It is also discussed in this book how colors carry a curative energy that provides complete health and fitness to the sufferers of both categories; body and soul. Colors are the basis to eradicate the tediousness of our sentiments, emotions and bodies. Our soul is the source that cascades the sprinkling colorful lights to nourish our bodies. This is done to such an extent that all of the body's parts function effectively and to their fullest capacity. Color therapy renews the light in our bodies, minds and souls. It is a vehicle to the truth if you embrace your natural human inclinations

The good, the true and the beautiful--it is for these that our souls long. Though they reside in unity and perfection in God alone, the written word is one place we can discover glimmers of divine light. The writings of great souls can turn our gaze toward God as he is revealed in Jesus Christ. Even authors who do not know Christ or who reject Christ can still point to him, for anyone who seeks the truth finds it; and any one who turns his back on the truth turns away from a someone whose presence can often be more keenly felt in his absence. In this volume, Lucy Beckett illuminates some of the finest writings in the Western tradition and trains our eye to discover in them the Christian vision of God. She masterfully guides us through Sophocles, Plato, Augustine, Dante, Shakespeare, Dostoyevsky and many others, deftly demonstrating each author's worth as a bearer of truth.

Within each of us, there is a spark—a light in our souls that never dies. It is the divine gift God has given us. This is book II of my Emerge series, which is my vision of the world. The book II, Emerge: My Incandescent Heart, continues

and rediscover the undiluted version of yourself to change ourselves and the world with love, kindness, and compassion. Be who you are meant to be, not who others want you to be. The Light of Our Souls - Prasanta Chitta

Emerge: Poems from My Soul - Kassi Ydris -
2018-05-01

Within each of us, there is a spark, a light in our souls that never dies. It is the gift that is divine, which God has given us. It takes the form of art, math, teaching, writing, poetry, counseling, and something magical. The darkness of the world and the illusions of technology have distracted us with their illusions and images of who we are not, instead of helping us find the light inside ourselves, which is the gift from God. I wanted to write a series of poems that encourage others to find the light in their souls and, in the process, be happy doing what they are supposed to be doing and being who they are meant to be instead of wasting their lives away, trying to please others and the images of who others want them to be. Within each of us, there is a spark of the divinethe soul, your light. We need you to find the light within yourself so you can shine with your light and make the world a less dark and a happier place. This is my soul, and these are my words. The Soul's Journey into Light - K. E. Hansen -
2018-10-31

Through a revelatory experience, K.E. Hansen

BECOME THE LIGHT OF THE WORLD JESUS within her inner core, and realized this crystal structure is available for each of us. In this experience, she became aware of another level of Revelation affecting our inner self that Jesus intends for all of us right now. The Soul's Journey Into Light Through Revelation is an inspiring, biblically based, and very understandable commentary on Revelation that will help you reach the destiny He has always wanted for you; to be His beloved companion on earth as in heaven. Jesus designed Revelation as a practical guidebook and revolutionary roadmap to uplift your consciousness to His, and to save you from the enemy. As you meet the challenges Jesus presents, you become transformed and renewed; a new being in Him. You experience a deeper, stronger relationship with the Holy Spirit. A goal of Jesus through Revelation is to lead you into a perfect loving and complete union with Him dwelling in your heart, mind, and soul, right now. The Soul's Journey into Light - K. E. Hansen - 2018-10-31

Through a revelatory experience, K.E. Hansen experienced Jesus' creation of a crystal structure within her inner core, and realized this crystal structure is available for each of us. In this experience, she became aware of another level of Revelation affecting our inner self that Jesus intends for all of us right now. The Soul's Journey Into Light Through Revelation is an inspiring, biblically based, and very understandable commentary on Revelation that will help you reach the destiny He has always wanted for you; to be His beloved companion on earth as in heaven. Jesus designed Revelation as a practical guidebook and revolutionary roadmap to uplift your consciousness to His, and to save you from the enemy. As you meet the challenges Jesus presents, you become transformed and renewed; a new being in Him. You experience a deeper, stronger relationship with the Holy Spirit. A goal of Jesus through Revelation is to lead you into a perfect loving and complete union with Him dwelling in your heart, mind, and soul, right now. A young interfaith chaplain is joined on her hospital rounds one night by an unusual companion: a rough-and-tumble dog who may or may not be a ghost. As she tends to the souls of her patients—young and old, living last moments or navigating fundamentally altered lives—their stories provide unexpected healing for her own heartbreak. Balancing wonder and mystery with pragmatism and humor, Ellen Cooney (A Mountaintop School for Dogs and Other Second Chances) returns to Coffee House Press with a generous, intelligent novel that grants the most challenging moments of the human experience a shimmer of light and magical possibility.

Addiction to Recovery - David E. McCauley -

They Made Their Souls Anew - Andre Neher -
This book, *Addiction to Recovery: Unlocking Your Potential*, is an accumulation of existential realization, many resources, years of recovery, education, insights, and years working in the field of addiction, with all adepts in the goal of personal transformation from addiction to recovery. This is an integrative approach to living in wellness of recovery. I vacated my own mind through deep personal process, my own form of meditation, and this book came about. My hope is this book unlocks the potential that advances new insight into the recovery process for each individual by reframing the process in such a way that the right interpretation by the reader will help recovery click into place. What we need to celebrate in recovery is the self-discovery of the individual. I offer my carefully considered overviews and assessments on the best-known treatments (theories) connected to recovery. I have provided a new outlook as a guide for the unwary who had failed at recovery in the past and those just coming into recovery for the first time. I count myself among the autodidacts, the self-taught perpetual student fueled by a passion for new answers and a sense of mission.

Light Language Emerging: Activating Ascension Codes and Integrating Body, Soul, and Spirit - Yvonne M. Perry - 2014-02-24
For eons, humans have been locked in a shallow understanding of who we are as spirit beings. While our linear thinking may help us feel safe, it can also limit us from communicating on a deep soul level with our Creator. It is when we bypass

we tap into a realm where we join with something so pure and wonderful that it defies logical explanation. It is these moments that allow us to know that our experiences in those dimensions are more real than our daily lives that greatly ignore the divine aspect of who we are. Light is the language of the soul, which allows us to communicate directly with Source without the interference of the mind, while activating codes to assist with healing and restoration on all levels. Discover the sacred artistic tools of light language for opening DNA strands required for bodily ascension. Learn how to move in sync with Spirit to bring restoration to all creation as you integrate aspects of your multidimensional soul for a unified expression of your highest self. This book includes stories from people who are discovering light language through writing, singing, dancing, signing, and artistic creativity. The author shares her unusual personal experiences to demonstrate how multidimensional aspects of the soul are being incorporated into a unified expression of wholeness. Light Language Emerging helps to bring understanding to a vast, new, and unusual subject: the language of light. When it spontaneously started happening to me many years ago, I had no exposure to it, no one to turn to and no immediate answers. A book like this is not only a catalyst for opening, but it becomes a life line for those having unique experiences as their telepathic communications begin to activate. With Yvonne's book, readers will come to understand their own multi-dimensional nature, their cosmic connection to their galactic family, and their ability to expand beyond limiting perceptions of self and life. KaleidoSouls - Patricia Norman Rachal - 2012-03-07

KaleidoSouls: Mirrors of the Light is a collection of poems all about God, His graciousness and goodness, who He is, and who we are in Jesus. Kaleidoscopes have mirrors in them, and when light shines into the opening, beautiful

mirroring the image of Jesus. When He, the Light, shines in us, beautiful images reflect onto others. Without His Light, everything within us would be a jumbled mess, but He shines into our souls and makes everything beautiful. Thus, we are the KaleidoSouls mirroring His beauty. KaleidoSouls not only features poetry but has Scripture on almost every page to enhance the meaning of the poem. These poems are gleaned from relationships and solitudes, happiness and sorrows, regrets and victories, friends and family, holidays and traditions, and many other places where you will find yourself. They tell stories of how Jesus changes people's lives and how He is reflected from them. You will find encouragement, hope, love, and insight within these pages. The poems tell about God and His mercies and love and how His Word can be used in our lives. May you find the words you would like to say to someone you love, someone you wish to encourage, or to yourself in a time of personal solitude.
